Project Acknowledge

eProject is a step-by-step learning environment that closely simulates the classroom and Lab based learning environment into actual implementation. It is a project implementation at your fingertips!! An electronic, live juncture on the machine that allows you to

- + Practice step by step i.e. ladder approach.
- + Build a larger more robust application.
- + Usage of certain utilities in applications designed by user.
- + Single program to unified code leading to a complete application.
- + Learn implementation of concepts in a phased manner.
- + Enhance skills and add value.
- + Work on real life projects.
- + Give a real life scenario and help to create applications more complicated and useful.
- + Mentoring through email support.

Objectives of the project

The Objective of this program is to give a sample project to work on real life projects. These applications help you build a larger more robust application.

The objective is not to teach you JavaScript/Dreamweaver but to provide you with a real life scenario and help you create basic applications using the tools.

You can revise the chapters before you start with the project.

This project is meant for students who have completed the module of **HTML5**. These programs should be done in the Lab sessions with assistance of the faculty if required.

It is very essential that a student has a clear understanding of the subject. Students should go through the project and solve the assignments as per requirements given.

Kindly get back @ eprojects@aptech.ac.in in case of any doubts regarding the application or its objectives.

Synopsis

Shrek-Juice.com is a website of the Shrek Juice Centre which is big Juice Centre famous for variety of juices it provides. They also provide catering service for various events like Wedding, Shows and so on.

Design Plan: Shrek-Juices	Document Name: Problem Defination	SWD/Form No.1/PD/Ver1.0
Effective Date: 9/7/2020	Version 1.0	Page No.2 of 12

Problem Defination

With include of new type of juices and also thought of changing the lookalike of the website the owner wish to renovate the look and feel of the website which should be more catchy and helpful for the business perspective. The website is to be developed for the Windows Platform using HTML5, JavaScript and Geolocation. The site should work well in all leading browsers including Chrome, IE, Firefox etc.

ABOUT US

Shrek -juice is a large juice system famous for its variety of juices.

And we also provide catering services for various events like Weddings, Shows, etc.

Vietnam has the advantage of being a country with a lot of fresh tropical fruit products, and in Shrek juice, you will be able to enjoy most of these natural products in their pure form, especially the juice. Fresh and kept cold.

In modern life, people like to return to the most natural things, a holistic approach to beauty, health and longevity.

We listen to our customers, study the natural transition from juice to therapy, and support a more balanced and healthier lifestyle for everyone.

Since then, our products are not simply juices, and we are proud that it is unique in Vietnam with full certification of health and beauty care.

Come to Shrek juice to experience it! Very pleased to welcome you.on.

CATERING

Flexible Service

Catering is a form of providing party services at the request of customers of restaurants - hotels. It can be a wedding party, seminar party, event party, team - building party ...

Catering service is not merely serving dishes but sometimes performing decoration, menu consulting, table setting Eat or choreograph sound and light ...

Our focus is to create and bring culinary memories to both corporate and private customers through various event styles such as tea party, Cocktail party, BBQ party, buffet, menu set.

With the motto you think - We do it,our event team is always ready to turn your ideas into reality.

Creating events is turning ideas into amazing moments
